

EMERGENCY LIGHTING REPLACEMENT BATTERY PACKS

BACK-UP WHEN YOU NEED IT

We stock a full range of high temperature Nickel/Cadmium (NiCd) and Nickel Metal Hydride (Nimh) battery packs specially designed for emergency lighting applications.

D Cell Packs

Nickel Cadmium (NiCd)

Capacity – 4000mAh or 4500mAh

Cell Dimensions – 32 dia. x 59mmL

High Temperature - 50°C to 70°C

to comply with IEC 61951,

EN60598-2-22 & ICEL 1010 E55

Termination – Available with 200mm wires, solder tags, push-on, amp plug or the connector of your choice.

Fixtures – End caps or backing plates

Design Life – 4 years to comply with IEC 61951 - EN60598-2-22

& ICEL 1010 E55

High energy

Excellent lifetime expectancy at High Temperature

Excellent charge mode at

High Temperature

High Reliability

Maintenance free

Spec-compliant to international standards for the professional

LAH/18700 Cell Packs

Nickel Metal Hydride (Nimh)

Capacity – 4000mAh

Cell Dimensions – 18 dia. x 74mmL

High Temperature - 70°C to comply with IEC 61951, EN60598-2-22

Termination – Standard push-on

Fixtures – End caps

Design Life – 4 years to comply with IEC 61951 - EN60598-2-22

& ICEL 1010 E55

Space saving - Size being less than half of the D cell NiCd packs

High energy

Excellent lifetime expectancy at High Temperature

Excellent charge mode at High Temperature

High Reliability

Spec-compliant to international standards for professional emergency lighting units

Environmentally friendlier than NiCd, complying with IEC 61951-2

Custom Built Battery Packs

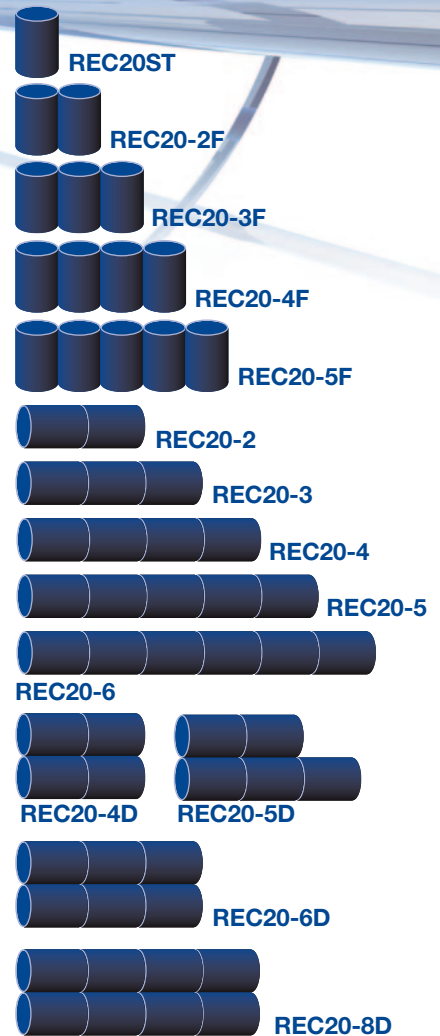

We stock and assemble bespoke NiCd and Nimh battery packs using Yuasa, Sanyo and GP cells for electrical and electronic equipment.

Applications include: Emergency Lighting suitable for External & Internal Bulkhead applications - Standard & LED Emergency Lighting units - Cordless phones & other Communications equipment - Memory Back-up, Stair Lifts (The Bison Pack & others) - Bath Lifts - Personal Hoists - Medical Equipment - Power Tools - Fire, Gas & Water detection equipment and many, many more.

Disposal – We offer free environmentally friendly disposal...
