

MOBILITY AND HEALTHCARE REPLACEMENT BATTERIES

POWER FOR INDEPENDENT MOBILE LIFE

Since 1983, CPC Battery Services has established an unrivalled reputation as a specialist battery supplier to Businesses, Healthcare and NHS Trusts throughout the UK.

We stock a vast range of 'ready-to-go' batteries for mobility and healthcare applications; these include:

POWERCHAIRS • Wheelchairs • **SCOOTERS** • All-Terrain wheelchairs
Electric Vehicles • Electric Bikes • Power Trikes • Stairlifts
Bathlifts • **HOISTS** • Stand-Aids • **ADJUSTABLE BEDS** • Recliner Chairs
Medical Instruments • Analysers • Recorders • Monitors

From the Market-Leading OE Battery manufacturers:

Custom-Built Battery Packs

In this ever-expanding world of cordless technology, we now have the ability to build both bespoke, standard and high-powered battery packs and can also re-furbish existing units.

Chargers

A range of standard and medically approved chargers available – from stock – to cover your every need.

Test Equipment

Specifically designed for Mobility and Healthcare applications.

Disposal

We offer a comprehensive, environmentally friendly disposal service.
